

Inverness Village Condominium Association (IVCA)

POLICY LETTER #2

Approved 09/23/2014

IVCA Business Office
2400 Forest Drive
Inverness, FL 34453

Any planting in gardens, front and back, must allow twenty-four (24 inches) from the foundation to permit maintenance men access to perform work. Owners also must provide a drawing of future planting accompanied by a list of plants.

Enforcement of this policy will begin January 2, 2015. This will permit owners time to relocate plants that are within the twenty-four inch zone that they would like to keep.

Sincerely,

Michael N. Schulman
Acting President
